Enhance photos with fun tools and effects

Bring out the best in your photos

- Fix color, contrast, and brightness easily with the one-click Quick Fix tool
- Choose your photo corrections with the four-step Adjust Wizard **NEW!**
- Brighten shadows, bring out detail, and more with powerful manual adjustments **NEW!**
- Use the crop tool to zoom in on your subject for dynamic photo compositions

Turn snapshots into keepsakes

- Convert photos to black and white or sepia for classic appeal **NEW!**
- Give yourself or your friends a new look with the unique Thinify™ tool **NEW!**
- Jazz up your images with beautiful frames, photo edges, and borders **NEW!**
- Create a fantastic panorama by stitching photos into a seamless, super-wide shot

Organize your photo collection with simple and powerful tools

Keep track of every photo

- Import and view photos from your digital camera with just two clicks
- Add creative titles and captions to make unique album pages
- Create your own photo organizational system with powerful, flexible keywords
- Keep your photos safe by archiving your favorite photos on CD **NEW!**

Find photos fast

- Find any photo in any album, even those archived on CD, with powerful search functions
- Search for photos by date taken or other information stored by your digital camera (EXIF 2.2 data)
- Save time by renaming or resizing groups of photos at once

Share photos with family and friends in new, exciting ways

Let your photos tell the story

- Burn your photos on CD to play on your computer or DVD player **NEW!**
- Add your favorite MP3 or one of our music tracks for a complete audio-visual experience **NEW!**
- Share hundreds of photos on CD at a fraction of the cost of reprints **NEW!**
- Store multiple slide shows on a single CD album **NEW!**

Share photos every way imaginable

- Show off your photos using over 40 print templates including album pages, standard photo sizes, and more
- E-mail photos automatically optimized for quick downloads **NEW!**
- Create your own Web photo album to share with friends near and far
- Upload photos to sharing sites, create screen savers, QuickTime movies, and more
